

Eisenhower Leadership Patch

Boy Scouts - Citizenship

THE EISENHOWER LEADERSHIP PATCH is an opportunity to learn more about good citizenship through the example of Dwight D. Eisenhower using the permanent exhibits of the Eisenhower Museum, featuring artifacts, photographs, works of art, and documents that tell the story of his life.

EARN THE BOY SCOUT Eisenhower Leadership Patch and Rockers by printing the Activity Sheet before your visit or you may request a copy at the Visitors Center and Presidential Gift Shop. You may earn the patch and the six rockers during your visit by completing the entire Activity Sheet.

WHEN YOU HAVE COMPLETED the Activity Sheet, show it to the staff person at the Visitors Center and Presidential Gift Shop desk. You may then purchase your patch and/or rockers. You may keep your Activity Sheet.

NOTE: WEAR YOUR UNIFORM for FREE admission to the Eisenhower Museum when working on the Eisenhower Leadership Patch and Rockers.
