NIGHT LETTER
March 21, 1955

Dr. Israel Goldstein
President
American Jewish Congress
15 East 84th Street
New York, N.Y.

To those who believe in human brotherhood, the tenth anniversary of the liberation of Europe's surviving Jews from the concentration camps is a significant occasion.

I hope its observance will strengthen in free men the spirit of opposition to totalitarian brutality and persecution, and of devotion to liberty, justice, and good will.
