SCOPE AND CONTENT

This collection consists of official military reports, studies and publications. The majority of the collection is comprised of duplicate documents transferred from the Modern Military Branch of the National Archives at College Park, Maryland. The collection is divided into seven series, each one corresponding to a new accession of materials. There may be some duplication of reports both within series and in multiple series.

Series I: Historical Studies: Air University
Boxes 1-39  This series contains an incomplete set of Army Air Force numbered studies. Arranged by study number.

Series II: Library Reference Publications
Boxes 1-31  These publications were formerly interfiled at with the U.S. Army After Action Reports at the Modern Military Records Branch. Unarranged.

Series III
Boxes 1-13  This series contains a variety of studies and histories from the Army Historical Section, reports of training exercises, guided missile testing, aerial bombardment reports, post-war civil affairs handbooks, strategic bombing reports, the History of the Allied Force Headquarters, post-war planning, and the 5th Army History. Unarranged.

Series IV: Miscellaneous Documents of the Modern Military Period
Boxes 1-4  This series contains WWII reports on Germany, German officers, ALSOS Mission, Operation Cruickshank, Operation Arabian, operations, comparison of Soviet and US weapons technology, reorganization of the armed forces, selection of proving grounds for long-range guided missiles, and WWII intelligence on Sicily. Unarranged.

Series V: Miscellaneous Loose Published Reports
Boxes 1-2  This Series consists of a 1949 study on reorganization of the army and a history of the Planning Division.
Series VI: Recent Acquisitions
Boxes 1-3 This series contains duplicate documents from Records of Allied Operational and Occupation Headquarters, World War II (RG 331). Three reports from the Field Information Agency Technical Branch, Office of the Military Government for Germany (FIAT, OMGUS) formerly housed with this series have been moved to the collection Dwight D. Eisenhower Library: Collection of Miscellaneous Manuscripts Too Small to Be Names as Series.

Series VII: European Advisory Committee Material
Boxes 1-18 This series contains documents relating to the political, economic and social situation in various European nations. The reports include information regarding civil affairs, economic warfare and military government. The largest body of material relates to Germany, but there are also reports for Albania, Austria, Belgium, Luxemburg, Czechoslovakia, Denmark, France, Greece, Hungary, Italy, Netherlands, Poland, Rumania, USSR, and Yugoslavia.
